Part of VICTORY COLLEGE

Discover in your element

A long-day-care kindergarten
for children who want to explore, learn and play
for parents who want their child to be ready for school

MyKindy is a modern long-day-care kindergarten for students aged between 3 and 5 years, co-located on the grounds of Victory College* in Gympie. It has fun facilities and the same guiding values for which Victory College has become known.

As a long-day-care centre, parents have peace of mind knowing their children are cared for in a safe and secure environment, guided by the principles of a quality Christian education.

Class sizes are a maximum of 24 students attending on a flexible schedule from one to five days per week. MyKindy at Victory kids get prepared for a successful start to school, develop a love for learning, make friends and develop skills useful for their lives.

The five day per fortnight kindy program stimulates young minds to think independently and promote their own learning. It fosters creativity, challenges thought-processes, and supports cooperative learning.

The Queensland Kindergarten Learning Guideline (QKLG) forms the basis of the curriculum. The QKLG is based on the Early Years Learning Framework (EYLF). The guideline supports the vision that all children experience learning that is engaging and builds success for life.

Teachers:

Our university-qualified early childhood teachers address the needs, interests and abilities of each child and recognise them as the unique individuals that they are. The kindergarten always has a registered teacher and a qualified assistant on staff at all times. The kindergarten prides itself on providing consistent staff which encourages stable relationships to be nurtured with families.

Fees:

For details on our fees please contact the kindy or visit www.victorycollege.com/mykindy. Our fees are very affordable and include sunscreen and a hat. We offer 50% discount on holidays and no charge on public holidays. Our fees are also CCB/CCR/Kindy Plus rebate applicable. Information about the Australian Government's Child Care Benefit payments for eligible families is available at www.familyassist.gov.au/payments/family-assistance-payments

Enrolment:

To secure your child's place at MyKindy, complete an Enrolment Application Form and return it to Victory College reception. Please include a birth certificate with your application form. MyKindy will contact you as soon as a place becomes available in accordance with your placement on the waiting list.

*It is not a pre-requisite to enroll your student in Prep at Victory College to attend MyKindy.

At MyKindy we have a secure and safe, purpose-built kindergarten with distinctive play zones and modern classroom facilities. It is a fun environment for all who attend.

Our kindy program includes a focus on:

- Coordination with active exercises (gross motor skills)
- Creativity – art, drawing and craft (fine motor skills)
- Discovering and experimenting – playing, digging, exploring
- Challenges and resilience – problem solving, show and share
- Positive social etiquette – interaction, cooperation, sharing, friendships
- Respect – for others and peers
- Numeracy and literacy sessions – reading, story time and counting
- Musicality
- Library visits and the ability to bring home a library book
- Special visits and events

By the end of the kindy year the children will be well on their way to achieving the following:

Socially and Emotionally:

- Separate confidently from their family
- Socialise in a group setting
- Take turns and share
- Negotiate with peers
- Develop long term friendships with peers
- Express themselves verbally and emotionally in a group setting
- Develop a healthy self esteem
- Develop independence

Physically:

- Develop eye hand coordination
- Develop a pencil grip
- Strengthen fine and gross motor skills

Literacy and Numeracy:

- Recognise characters and numbers
- Begin to write their first name
- Be exposed to a variety of books and text through our library visits and classroom storytelling
- Discriminate size, shape and colour
- Matching and sorting

Play in your element
